Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry to start but showers arriving overnight.

This Evening and Tonight:
A dry start to the evening with some clear spells. Showers will soon arrive from the northwest, possibly wintry over high ground and scattered across the region. Less cold than of late with a risk of patchy frost. Minimum temperature 2 deg C (36 deg F).

Sunday:
Mostly dry through the day and largely cloudy. A few showers are possible, especially by evening and it will be slightly breezier. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Starting dry on Monday before heavy rain arrives during the evening. Tuesday and Wednesday will see further outbreaks of heavy rain, persistent at times, with strong winds possible.
